

DORE SCHARY

780 GOWER STREET

LOS ANGELES 38, CALIFORNIA

Dear Adrian:

Every guy lives his life his way and
does his job his way.

My one hope is to live and do without
hurting and intimidating other guys of good will
whom I respect and like, such as you and Eddie.

We will disagree, in the nature of
things, on details, in the future, but I hope
and I shall try that we never hurt each other.

Thanks for your pledge and know
that you have mine.

Dore
